Dear Mr. Evans:

In response to your inquiry dated November 10, 1999, enclosed for filing is an amended report for the Koch Industries, Inc. PAC 12<sup>th</sup> Day Preceding the Georgia Special General Election Report, covering the period from 1/1/99 through 2/3/99.

Due to a malfunction in our reporting software, the totals listed on Lines 11(a)(i) and 11(a)(ii), Columns A and B of the Detailed Summary Page were miscalculated. All receipts greater than \$200 were fully disclosed and itemized. However, as a result of the malfunction, \$1,510 of the Aggregate Year-To-Date contributions were erroneously recorded on Line 11(a)(ii), Columns A and B, rather than Line 11(a)(i), Columns A and B.

All subsequent reports filed to date are correct.

If you have any questions, please call me at (202) 737-1977. Thank you.
